Subject: Memphis Rate Card: Agenda/Materials for tomorrow's Working Group

Hello all,

Looking forward to convening the group tomorrow for our next Working Group meeting. The goals

for tomorrow's meeting are outlined below and materials are attached:

- Review project progress to date
- Discuss illustrative outcomes rate card scenarios to align on key constraints (particularly around WIOA)
- Align on key next steps

For the MSCC/Corrections folks (Bill, Brona, Angela, Patricia) - please note that this conversation will be a follow-on to a conversation we had with WIN two weeks ago and will again relate largely to how we design the rate card in light of WIOA. **While you are welcome to join the call, we are also happy to give you some time back in your day if needed.**

Thanks so much and please let me know if you have any questions.

Best,
Rachel
